

Postdoctoral Position at Université du Québec à Montréal (Canada)

The Department of Mathematics at Université du Québec à Montréal invites applications for a Postdoctoral Fellow in the area of probability and statistics to begin in Fall 2019. The term of appointment is one year. Applicants should have completed their Ph.D. in mathematics or statistics (or in a closely related area) within the last five years.

In particular we are seeking applicants with a strong background in Applied Probability, Markov Processes, Data Analysis, Computational Statistics. The candidate will be collaborating with Dr. Arthur Charpentier (UQAM), Dr. Romuald Élie (Université Paris Est) and Dr. Hélène Guérin (UQAM) on a common project. **Some knowledge in Poker Games will be appreciated.**

The Université du Québec à Montréal will provide networking support for postdocs. The salary will be at a competitive level with additional funding for travel.

Applications must be submitted electronically through email, to guerin.helene@uqam.ca and consist of the following

- Cover Letter
- Curriculum Vitae
- Publication List
- Three (or more) contacts for recommendations

Deadline: June 30, 2019
